REPORT OF THE TRUSTEES OF INGALLS MEMORIAL LIBRARY

We are very gratified to report that the people of Rindge have used the library facilities more this year than ever before.

According to the statistical reports of the State Library in towns of 700 to 800 in population, Rindge ranked third in circulation. This is due to a large extent to our Librarian and at this time we wish to thank Mrs. Gray for her great interest, endless effort, and enthusiasm, which has helped to make this year so successful.

There is a reserve in the Harry E. Sherwin Memorial Fund given by the townspeople, which is being added to generously by the Sherwin Family. Plans are underway to redecorate the children's room as a lasting memorial to Mr. Sherwin who did so much for the library during his 14 years as a trustee.

A very successful concert was held in August, at which time professional talent was donated. The proceeds being added to the reserve trust fund to bring water and bath room facilities into the building.

Our thanks go to Mr. Herbert Crowell for his conscientious care for keeping the building and property in good condition.

We would like to thank all the townspeople and friends who have given so generously to the library this past year.

For the library, 1959 was a most successful year. The circulation increased, but what is more important is the growing interest shown by patrons and friends.

Teachers and children make regular visits to the library as part of their curriculum. Because of their steady demand for books, a gift of money from the Rindge P.T.A. was much appreciated.

The Memorial Section has appealed to many and the collection is growing. Some fine books have been donated in memory of those who have left us: Mr. and Mrs. Karl Brummer, Mrs. Ralph Hoyt, Sr., Mrs. Leo MacInnis, Mr. Harris H. Rice, Mr. and Mrs. Harry Sherwin, Mrs. Richard R. Smith, Mr. George Todd.

In August a Pop Concert was given for the benefit of the library. The soloists were Miss Lillian Libbee and Mr. Karl Dan Sorenson of Boston, accompanied by Mrs. Samuel Melville and Mr. John Fuoroli. A group of folksongs by Dr. and Mrs. Joel Hayden and Mr. Orion Sherwood were much enjoyed. It was hoped

that the proceeds could be used to install a telephone in the library. When this was found to be impossible, a fund was started for some much-needed renovation.

Rep. J. Frank Allen arranged an informal reception for Governor Powell in November. It was held at the library and many townspeople took advantage of this opportunity to meet their governor.

A Japanese flag was presented to the museum by Mr. Detriot Hood. It was found by him at Iwo Jima and the museum with its records of many wars, seemed a fitting place for it.

Mr. and Mrs. Perry Thrasher donated a framed panorama picture of Rindge Center taken in earlier days. Hung in the lobby it has been of interest to many.

Friends of the library have again been most generous with gifts of money, books, magazines, records, and pictures. These were given by the following and to them the trustees and librarian wish to extend their thanks:

Prof. and Mrs. Douglas Adams, Rep. J. F. Allen, Mrs. William Allen, Mr. B. B. Barr, Mrs. Edward Brummer, Mr. and Mrs. Stanley Bean, Mrs. John Crosby, Mrs. Marshall Danforth, Mrs. Edwards Dickenson, Mr. and Mrs. Raymond Ford, Mrs. Harold C. Gilbert, Mr. and Mrs. Ernest Hale, Mrs. Fred Howard, Mrs. Paul Inferrera, Mrs. George Jaques, Mrs. Maud C. Lapham, Mrs. Samuel Melville, New Ipswich Lutheran Church, Miss Charlotte O'Brien, Mrs. Ralph Pangborn, Miss Elizabeth Pangborn, Mrs. John Phillips, Miss Lila Phillips, Rindge P.T.A., Mrs. John Rice, Mrs. John Rodier, Mrs. Charles Rice, Miss Marcia Richardson, Mrs. David Scott, Miss Beverly Spaulding, Mrs. Cecil Todd, Mrs. Walter Troop, Mr. and Mrs. Perry Thrasher, Mrs. Everard Up-

john, Mr. Kenneth Wilkins, Mrs. Eugene Whittier, Mr. and Mrs. Henry G. Wilton, Mrs. Edmond Whitney, Mrs. Robert Whitney.

Donors to the juvenile department were Duane Carpenter, Glenn Davis, Frank Hale, Ronald MacInnis, Terry O'Connor, Annette Peabody, and Ramon Tater.

Again I wish to extend thanks to the trustees for their cooperation, to Mrs. Marshall Danforth for her assistance, and to Mr. Herbert Crowell for his helpfulness.

Respectfully submitted,

CARRIE S. GRAY

E. WARRANT

To the inhabitants of the School District in the town of Rindge qualified to vote in district affairs:

You are hereby notified to meet at the Memorial School in said district on the 4th day of March, 1960, at 2:00 o'clock in the afternoon to act upon the following subjects: (Polls open from 2:15 to 7:15).

1. To choose a Moderator for the coming year.

2. To choose a Clerk for the ensuing year.

3. To choose a Member of the School Board for the ensuing three years.

4. To choose a Treasurer for the ensuing year.

5. To determine and appoint the salaries of the School Board and fix the compensation of any other officers or agents of the district.

6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalizaton fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see what sum the district will raise and appropriate for the purposes outlined under Titles III, V, or VIII, or any combination thereof, of the National Defense Education Act, Public Law 85-864, and to authorize the school board to make application for, to accept on behalf of the district, and to apply against this appropriation any or all grants or other funds which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire under the provisions of the National Defense Education Act.

10. To see what sum of money the district will vote to raise and appropriate as a Capital Reserve Fund for replacement of school bus or busses.

Given under our hands at said Rindge this 18th day of February, 1960.

Buck, Ormsby J.	Art Supervisor	B.A., '54, U. N. H.; M.E. '57 Plymouth T. C.	2	306.00

There were two changes in the teaching staff this year. Mr. Franklin Finley replaced Mr. Robert Shea as principal and teacher of Grades five and six and Miss Jessie Baldwin replaced Mrs. Ruth Bean as teacher of Grade one.

B. SCHOOL PROGRAM

Each year from early September through the middle of June, your children spend the majority of their waking hours at school or taking part in activities directly associated with the school program. The pupils differ widely in physical size, mental and emotional maturity, background, interests, and aspirations. The function of the school is to develop in these widely differing personalities the will to learn and the skills and attitudes necessary for the pursuit of knowledge.

Perhaps one of the most important skills which needs to be developed in the elementary pupil is the ability to locate and organize facts and information. In line with this belief an emphasis has been placed on the securing of resource books. These books make it possible to require our pupils to do more independent research and organization.

Reading ability, of course, is the basic tool for all self-education. Realizing this, the teaching staff is conducting an investigation and evaluation of our present reading program. Through this study we believe that we will be able to improve our program and better prepare our pupils for the demands of junior and senior high school.

The National Defense Education Act has made available money to be used for the purchase of equipment for the teaching of science, languages, and mathematics. The money available this year was used for the purchase of a portable science table and other equipment necessary for scientific experiments. These additions to the school's equipment will make the teaching of science more interesting and more meaningful.

While the teaching of study skills and the imparting of knowledge is the primary function of the elementary school, there are other less tangible qualities which the school should help develop in its pupils. Among these are physical development, social attitudes, emotional development, and the ability to live in and be a useful member of a democratic society. A variety of activities are conducted to aid in the development of these qualities.

Among the activities conducted are the Christmas program, Field Day, Memorial Day exercises, saving stamp program, boys' basketball, girls' basketball, softball, and field trips related to subjects being studied.

Perhaps one of the most valuable activities each year is the annual participation in the Sargent Camp workshop by the fifth and sixth grades. This experience, when correlated with classroom instruction provides a more meaningful and interesting total program. Living in close proximity with a large group of pupils, many from other towns, affords a valuable and otherwise unavailable opportunity for group living and planning.

This year, for the first time, a book fair was sponsored by the Rindge Memorial School. The purpose of the fair was to acquaint parents with some of the children's books available and to enable them to purchase better books for their children. There were books of all types and for children of pre-school age through junior high school. It is hoped that this activity will be repeated each year.

The teaching staff would like to thank Mr. Howard Burt and Mrs. Natalie Whitney for their contribution toward the success of the school program. Extra effort and consideration throughout the school year add much to the enjoyment and effectiveness of the school program.

PART III. SCHOOL PLANT

A. REPAIRS

This was a year of considerable change in the school plant. Among these changes were the installation of a dishwasher and water heater in the kitchen. Also installed were two fluorescent lights which add greatly to the functioning of the kitchen. These facilities will help to insure the health of our children as well as to provide a more efficient area.

Another major change was the resurfacing of the school and garage approaches. This project has improved the appearance of the plant as well as reduced the amount of dirt being carried into the school building.

A new forty-eight passenger bus was purchased to facilitate the transportation of Rindge pupils to the Memorial School and to the Conant High School in Jaffrey.

The custodian, Howard Burt, completed the annual summer work which included general cleaning and reconditioning of the floors and some painting in the four classrooms and the kitchen.

PART VI. AUXILIARY ACTIVITIES AND SPECIAL REPORTS

A. HEALTH

Relatively few illnesses were noted among Rindge pupils except for colds and stomach upsets. Two cases of chicken pox were reported. Sixteen pupils were taken or sent home from the classrooms. When ailing youngsters are sent to school, it creates a problem. With most of the pupils coming to school by bus, there is no sure way of getting them home in case of illness during school hours.

Dr. Sterling continued his duties as school physician. He examined the pupils in the odd-numbered grades as well as initiating the immunization clinics and supervising other phases of school health programs.

The school nurse conducted vision and hearing tests and maintained general checks for obvious correctable conditions. The nurse visits Rindge schools each Thursday and such other days as questions arise or clinic schedules make it necessary. Parents have been very cooperative with the correction of defects which might hinder good health and the best school achievement.

A Dental Clinic, supported by a special fund appropriated at the annual school meeting, was conducted with this limited budget. This helps pupils who cannot receive complete dental corrections any other way. The fund paid for seven half-days with thirty-eight appointments. Necessary cleanings and X-rays were included along with fifty-six fillings and twelve extractions.

Dr. Raymond Moore did the work in his office in Jaffrey, and the pupils were transported to and from Jaffrey by the school nurse. The order of preference was established in conference with the teachers, beginning with pupils in the lower grades first and working up. There were still pupils on the waiting list when the money was spent.

Dr. Sterling recommended a follow-up of the Salk Polio Clinics and strongly urged that all those from six months to forty years of age be protected. He also recommended booster shots for those who had already had three shots. The results were that two hundred and fourteen Salk polio shots were given. It is now expected that annual Salk polio clinics may be offered for this purpose each May.

In June one day was set aside for the annual pre-school registrations and examinations. Twenty-five pupils were registered for entrance into the first grade in September. Upon this occasion health histories were completed, birth certificates verified, and record systems set up. Children were checked for vision, hearing, or any physical difficulties which might interfere with good school achievement. This gives time for any necessary summer corrections as well as necessary vaccinations.

An opportunity is provided for pupils and parents to become familiar with the school and the teachers, as well as obtaining data about regulations, facilities, school calendar, and administrative personnel. The first-grade teacher is freed to meet these pupils who usually spend one day at school and participate in a typical day's routine. This program results in less fear and confusion in September for these small pupils and their parents. It enables school administrators to make definite plans for classroom and school bus needs early in the summer.

Approved professional meetings, conferences and workshops were attended by the nurse. These took nine day's time, mostly on week ends and during vacation weeks. Places of meetings were Walpole, Laconia, Manchester, Keene and Concord. A summer school course at Plymouth Teacher's College on "Understanding Psychological Testing" was taken.

PREVENTION IS EVERYBODY'S BUSINESS

The year 1959 was fortunate from a forest fire standpoint. New Hampshire had the best record in the nation. Fewer acres were burned, suppression costs were substantially reduced and damage to woodlands held to a minimum. The record resulted from a combination of favorable weather conditions, an alert warden service and a cooperating public.

Yet, despite all this, there still persists a disturbing note 58%, or 6 out of every 10 fires in 1959 were caused by careless smokers and debris burners.

10%, or 1 out of every 9 fires was caused by children.

Careless, indifferent, thoughtless and independent minded individuals and failure of parents to properly supervise children and keep matches out of their reach, annually cause these unnecessary fires which cost large sums to extinguish and cause extensive damage. The elimination of these three causes of fires would radically change this picture. The rules are simple—

1. Before burning, secure a permit from your local forest fire warden — the law requires it.
2. Be sure to properly supervise your burning.
3. Make certain your fire is DEAD OUT before leaving it.
4. Don't throw lighted matches, cigars and cigarettes from moving vehicles — use your ash tray.
5. Don't burn at home — Use your town dump and save yourself much possible difficulty, both personal and financial.

Number of local fires	4
Number of acres burned	1
Number of permits issued	155
